

SUPREME GAZEBO

The Supreme Gazebo combines our years of experience in luxury wooden gazebos and outdoor kitchens into one unique al fresco entertaining space. This is an amazing gazebo which combines al fresco dining with 5 star dining.

We've thought of everything for you. Privacy, heating, lighting, every cooking appliance you'll need, a fridge, a bar and a beautiful dining area. So you can cook and dine within one social space utilising the perfectly proportioned kitchen to whip up a feast before relaxing in the spacious seating area. The eye-catching curved balustrades maximise the internal space, so you can comfortably seat 12 people (8 at a table and 4 at the bar). The elegant outdoor kitchen offers you a state-of-the-art barbecue and pizza oven, a side burner, outdoor fridge, spacious preparation surfaces and a raised bar. The island is finished with a stylish black granite work surface. The roof has our trademark shaker cedar tiles and is lined with an interior cladded panelling.
